Bonn, Germany — s39wzou@uni-bonn.de — China Citizen

## EDUCATION

**Sichuan University**, Chengdu, China  
Mathematics and Applied Mathematics

September 2020 — June 2024  
Overall GPA: 3.83 — Major GPA 3.92

**University of Bonn**, Bonn, Germany

October 2024 — June 2026 (expected)

Master of Science, Mathematics, Supervisor: María Inés de Frutos Fernández and Floris van Doorn.

**Université Jean Monnet, Institut Camille Jordan**, Saint-Étienne, France

September 2026 —

Ph.D. in Mathematics, Supervisor: Filippo Nuccio and Riccardo Brasca, Project: FALSE

## Conferences Attended

- **(Upcoming) Seventeenth Conference on Interactive Theorem Proving** Lisbon, Portugal  
*ITP 2026* 25 - 29 July 2026
- **(Upcoming) Bridging Lean and LMFDB** Norwich, United Kingdom  
*University of East Anglia* 29 June 2026 - 3 July 2026
- **Formalizing Higher Categories** Djursholm, Sweden  
*Institut Mittag-Leffler* 8 - 12 June 2026  
Will attend online.
- **Mathlib Reviewer Bootcamp** Stockholm, Sweden  
*Stockholm University* 30 March 2026 - 2 April 2026
- **SMS Spring Meeting: Formalization and Proof Assistants** Brig, Switzerland  
*UniDistance* 25 - 27 March 2026
- **Arizona Winter School 2026: Computational aspects of Arithmetic Geometry** Tucson, United State  
*University of Arizona* 7 - 11 March 2026  
Attended online.
- **Formalization of Algebraic Geometry** Heidelberg  
*University of Heidelberg* 19 - 21 November, 2025
- **Lean for PDEs, an ICARM & SLMATH collaboration** Berkeley  
*Simons Laufer Mathematical Sciences Institute* 6 - 9 October, 2025  
Attended online.
- **Formalizing Class Field Theory** Oxford  
*Clay Mathematics Institute* 21 - 25 July 2025
- **Workshop on the Frontiers in Arithmetic Dynamics (FIAD 2024)** Beijing  
*Beijing International Center for Mathematics Research* 4 - 8 May 2024
- **Algebra and Number Theory Summer School** Beijing  
*Chinese Academy of Sciences and Peking University* 15 July 2024 – 24 August 2024
- **AI For Math Winter School** Beijing  
*Beijing International Center for Mathematics Research* 15 – 26 January 2024
- **AI For Math Summer School** Beijing  
*Beijing International Center for Mathematics Research* 24 July 2023 – 10 September 2023

## SEMINAR TALKS

- **Gradutae Seminar on Algebraic Geometry - Brauer Groups and period-index theorem** Bonn  
*Universität Bonn* 22 April 2025
- **Graduate Seminar on Advanced Algebra - Affine Hecke Algebras** Bonn  
*Universität Bonn* 14 January 2025
- **Graduate Seminar on Algebraic Geometry - Complex Geometry and Hodge Theory** Bonn  
*Universität Bonn* 3 December 2024

## SCHOLARSHIPS AND OTHER AWARDS

- AI for Math Summer Fellowship by Renaissance Philanthropy
